

CAPABILITY STATEMENT

COMPANY SUMMARY

Cox Logistics, LLC has become one of the industry's go-to logistics firms. We take pride in being a minority and disabled veteran-owned logistics agency that provides services with discipline and integrity. Our values set the tone for us to provide industry consulting solutions to our civilian and government clients. We negotiate fair freight rates for our clients and manage their safety programs to ensure they meet DOT regulations. Being military-driven and our customer service is the prime reason why our reviews and partnerships extend beyond our years in the industry.

CORE COMPETENCIES

Cox Logistics, LLC offers full-scale transportation service and expertise in operational logistics management and consulting. LTL, FTL, custom & time critical, military & government, short and long distance, and temperature controlled freight transportation.
